

National Student Council

Of IUCEE FOUNDATION

Purpose

The NSC brings together all the IUCEE Student Chapters to collaborate to grow together.

- Chapters share their best practices and resources to help each other and, the newer chapters. The Chapters are an effective way to expand outreach and penetrate developmental initiatives to reach more students
- The NSC activities and programs enhance the student interaction and breaks barriers to form interdisciplinary clubs
- The NSC becomes the central body to organize events meant for Student Development including Student Summit and Annual Student Forum
- The NSC will serve as a digitally connected platform to drive IUCEE Student Development programs

NEWS

The idea behind National Student Council got seeded by HITAM chapter in November 2020. The idea got a kick start in March 2021 when KLE TU Chapter took the lead in forming a team of volunteers and the Faculty advisors of both the Chapters came together to guide the volunteer team (hereby known as the Executive Members of the Council) to work on the Council document and by-laws. The NSC Policy document's first version was released on 1st June 2021 and the First Batch of NSC Officers (13 officers) were selected after a rigorous process and were announced on 19th June 2021 during the Chapter monthly meet.

The entire work was supervised by IUCEE Foundation Director and Student Development Responsible Ms. Sampada Pachaury.

The Selection process was duly supported by IUCEE Leader Dr Raju Dandu, Director, Bulk Solids Innovation Center
