Circular

Sub: IUCEE International Educators Certification Program (IIECP) for Faculty Members under VTU

- Ref: 1) Email dated 16-11-2023 Dean, Faculty of Engineering, VTU, Belagavi.
2) Hon'ble Vice Chancellor's order dated 17-11-2023

Pursuant to the MOU signed by VTU with Indo-Universal Collaboration for Engineering Education (IUCEE), several measures to improve the quality and global relevance of engineering education through various quality initiatives are to be undertaken. As a part of this mission, VTU has embarked on upskilling and empowering over 1000 faculty members under the ambit of VTU in the next one year through IUCEE International Educators Certification Program (IIECP). IIECP was designed by global experts of IUCEE to address the need for higher education faculty in India to become more effective student-centric teachers. This Faculty Development Program is designed to enable the participants

- To understand the principles of learner-centric teaching to design/ redesign a course and its elements.
- To emphasize learning outcomes and to develop different teaching and active learning strategies for implementation of these elements.
- To design formative and summative assessment tools and rubrics for outcome assessment.

The program is delivered in five modules of three weeks each, with one 'live' session per week. Participants are expected to teach a course and implement strategies learned in the different modules during the course. The complete program is offered online using a blend of synchronous and asynchronous tools over a period of six months for 250 faculty members in the first batch. This program is designed and coordinated by Dr. Veena Kumar, Executive Director of IIECP and a team of global experts.

In this connection, all the Principals of VTU affiliated, autonomous and constituent colleges are hereby informed to nominate 2 faculty members to undergo a six-month IUCEE International Educators Certification Program (IIECP). The details of the FDP are as follows:

1. Program begins from 15th December 2023 in online mode, without affecting regular academic works of the participants.
2. Total fee per participant: Rs 8500+GST (Rs. 10,030/-). Further, 50% (i.e. Rs. 5,015/-) of this amount will be borne by the VTU and the balance 50% (i.e. Rs. 5,015/-) is to be borne by the respective colleges.
3. Maximum number of participants per college: 2 Faculty members from any branch
4. Maximum number of participants in this batch from all the colleges: 250

The affiliated colleges are hereby informed to submit the details of the participating faculty members on or before 29th November 2023 in the google link provided here below and the selection will be based on First-Come-First-Serve.
