

## ICTIEE 2026 and IASF 2026 Report

January 8-10, 2026 at GITAM University, Bangalore Campus

Attendance (295 Delegates and 404 Students)

### Inaugural Session

Welcome: Dr. Basavaraj Gundappa, ProVC, GITAM Bangalore

Overview: Krishna Vedula, IUCEE Executive Director

Chief Guest: Dr. S. Vidyashankar, Vice Chancellor, VT University

Guest of Honor: Dr. Ashok Shettar, Pro Chancellor, KLE Tech Univ

### Sponsor Session

- ABET Quality Sponsor Keynote: Michael Milligan, CEO, ABET  
*"Lifelong Learning: The Continuous Pursuit of Knowledge and Skills in Engineering Education in an AI Driven World"*
- Dassault Systems Platinum Sponsor Keynote: Xavier Fouger, Dassault Systemes"  
*"From Objects to Virtual Knowledge"*
- IGIP Bronze Sponsor Keynote: Eleonore Lickl, IGIP  
*"Role of Artificial Intelligence in Transforming Pedagogy of Engineering Education"*

### Keynotes Sessions

- Shalini Gopalkrishnan, SF Bay University, USA  
*"The AI Faculty Lounge: What Happens if your co-teacher is a BOT"*
- Tania Bueno, IFEEES, Brazil  
*"Co-Creating the New Frontier of Learning"*
- Vinnie Jauhari, Microsoft, India  
*"Transforming Teaching and Learning Ecosystems in the AI-Driven World"*
- Kartic Vaidyanathan, LetUsPlayToLearn, IITM, India  
*"From Passive to Play: Transformation Engineering Education Through Games"*
- Mahesh Venkataraman, Accenture, India  
*"Learning as a Living System: Reimagining Engineering Education in the AI Era"*
- S.D. Rajan, Arizona State University, USA  
*"What Does AI Supposedly Offer Engineering Education – Separating Facts from Myths"*
- Prathiba Nagabhushan, Australian Catholic Univ, AUS  
*"An exploration of Motivation and Engagement of Students in the AI era"*
- Kalyan Ram, Indxo AI Pvt Ltd, India  
*"Redefined roles, responsibilities and approach towards learning in AI-based Education"*
- Nikita Hari, University of Oxford, UK  
*"Rethinking Engineering Education Systems Thinking for a Complex, AI-Augmented World"*
- Nilay Kulkarni, Innovator, India  
*"The shift in learning due to AI: using models to learn faster"*

### Leadership Panel Sessions on "AI in Education"

#### Panel 1:

Sushma Kulkarni (Vice Chancellor, NICMAR University),

Archana Mantri (Vice Chancellor, Anurag University),

Jayasankar Variyar (ProVice-Chancellor, UPES University),

Shasi Anand Sridharan (Vice President, Kalasalingam University)

### **Panel 2:**

B. Sadashive Gowda (Principal, Vidyavardhaka College of Engineering),  
Somsubhra Gupta (Dean, Swami Vivekananda University),  
K. Nandurkar (Principal, KK Wagh Inst of Engg Ed and Research),  
Divya Nalla (Director, Nalla Malla Reddy Engineering College)  
YT Krishne Gowda (Principal, Maharaja Inst of Tech, Thandavapura),

### **Panel 3:**

Gopal Joshi (Vice Chancellor, MIT Vishwaprayag University),  
KN Subramanya (Principal, RV College of Engineering),  
Bhavesh Patel (Principal, Shah Anchor Kutch Engineering College),  
Amit Lathigara (VC, RK University),

### **Panel 4:**

Angelina Geetha (Dean, Hindustan University),  
G. Shobha (Dean RV University),  
Ashok Kumar (Principal, Thiagarajar College of Engineering),

**TLC and Leadership Round Table 1:** Chair: Krishna Vedula, Executive Director, IUCEE

**TLC and Leadership Round Table 2:** Chair: Sushma Kulkarni, VC, NICMAR University

### **ICTIEE Paper Sessions**

ICTIEE Paper Session 1, 2, 6, 7, 8

- *“Innovative Pedagogies and Active Learning”*

ICTIEE Paper Session 3

- *“Research-Informed Curriculum and Course Design + Faculty Development and Educational Leadership”*

ICTIEE Paper Session 4, 9

- *“Assessment, Feedback, and Learning Outcomes”*

ICTIEE Paper Session 5, 10

- *“Emerging Technologies and Future Skills”*

### **AI in Education Innovation Practices Papers Session 1, 2**

#### **Workshops for Faculty and Students**

**Workshop 1 (Students/Faculty): Raju Dandu, Kansas State Univ**

*“Structured Framework for a Senior Capstone Design Project Course”*

**Workshop 2 (Students/Faculty): Megan Lysowski and Eric Obeysekare, Lehigh University**

*“Humanitarian Design and Social Entrepreneurship (HDSE) Leadership Intensive, Creative Inquiry, and Education for Impact”*

**Workshop 3 (Students/Faculty): Ranji Vaidyanathan, Oklahoma State University**

*“Entrepreneurial Mindset in an AI-Driven Engineering World”*

**Workshop 4 (Faculty): ABET Workshop 1: Michael Milligan, ABET**

*“Outcomes Based Education: Programmatic Accreditation and the Assessment of Student Learning & Outcomes”*

**Workshop 5 (Students/Faculty): AI for All: Shalini Gopalakrishnan, SF Bay University**

*“Learning in the Metamind Era”*

**Workshop 6 (Students/Faculty): Eric Obeysekare, Lehigh University**

*“Understanding Large Language Models and Context Engineering to Harness AI and Accelerate your Impact”*

**Workshop 7 (Faculty): ABET Workshop 2: Jessica A. Silwick and Amanda G. Taylor, ABET, USA**  
*“ABET’s Recognition of Credentials Service”*

**Workshop 8 (Faculty): AI in Education, Javeed Kittur, U of Oklahoma**  
*“Leveraging Generative AI for Pedagogical Innovation in Higher Education”*

**Workshop 9 (Faculty): Education Research, Preeti Patil and Basawaraj Patil, KLE Tech University**  
*“Questions to Insights: Crafting High-Impact Questionnaires for Engineering Education Research”*

**Workshop 10 (Students/Faculty): Dassault Workshop: Xavier Fouger, Renuka Srinivasan, Dassault Systemes**  
*“Leveraging Virtual Twins and AI in Product Design”*

**Workshop 11 (Students/Faculty): Prathiba Nagabhushan, Australian Catholic Univ**  
*“An exploration of Motivation and Engagement of Students in AI era”*

**Workshop 12 (Students/Faculty): Nilay Kulkarni, Innovator**  
*“The shift in learning due to AI: using models to learn faster”*

**Workshop 13 (Students/Faculty): LetUs PlayToLearn: Kartic Vaidyanathan, IITM**  
*“The Game of Changes Workshop”*

**Workshop 14 (Faculty): Preethi Baligar, MITVPU and Rashpinder Kaur, Plaksha University**  
*“Agentic AI in Education”*

**Workshop 15 (Students and Faculty): Deepak Gadhia, Muni Seva Ashram and Dr, Peeush Bishnoi, IUCEE Industry Expert**  
*“Solar Energy Summer Internship at Muni Seva Ashram”*

### Learning Carnival:

- **IASF EduAIthon**  
Participants: 179 students  
**Awards Winners:**  
**Kalasalingam Academy of Research and Education:** “EduVerse AI”  
**Kalasalingam Academy of Research and Education:** “Circuit Sage”  
**RV College of Engineering:** “AnuJnana Quantum”  
**VNRVJ Institute of Engineering and Tech:** “AI-Powered Structural Analysis Learning Platform”
- **IASF Mentored Project Competition**  
Participants: 60 students  
**Award Winners:**  
**Thiagarajar College of Engineering:** “Emergency communication mesh network for disaster prone areas”  
**Rajarambapu Institute of Technology:** “ WatSafe AI - Water Safety, Powered by AI”  
**RV College of Engineering:** “AI based detection of microplastic in water sources”  
**KLE Technological University:** “3D printing Filament making device using waste plastic”
- **IASF Student Project Showcase**  
Participants: 127 students  
**Award Winners:**  
**Anurag University:** “BlueGenesis: Smart IoT platform for Sustainable Water Management”  
**Kalasalingam Academy of Research and Education:** “ Banna peduncle based biodegradable 3D printing”  
**Sphoorthy Engineering College:** “Smart N Light Innovations”

### Cultural Program

### **Sponsors Recognition Dinner**

Anurag University, TG  
Hyderabad Institute of Technology and Management, TG  
Kalasalingam Academy for Research and Education. TN
